

Mark Your Calendar! Provider Training Session

You are invited to a WebEx session introducing Telligen and covering Utilization Review Services for Nebraska Medicaid.

For DME/POS providers, hearing aid providers, home health agencies, private duty nurses and hospitals

When: April 8, 2014 and April 15, 2014
 10:00 - 11:00 a.m. (CST) or 2:00 - 3:00 p.m. (CST)

Registration: To register, send an email to Telligen-NEMedicaid@telligen.com and provide the following information; name, phone number, email and which session you will attend. You will then receive an email back with WebEx information.

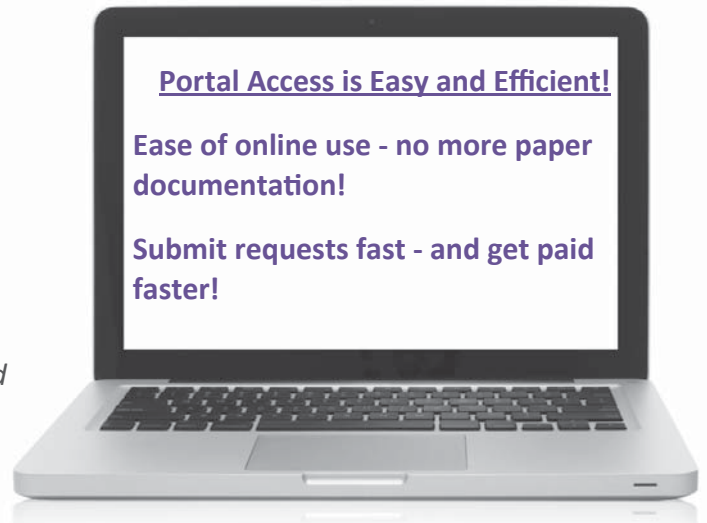

Session Details: Beginning May 1, 2014, Telligen will be the Utilization Review Organization for the State of Nebraska Medicaid. You will have the opportunity to learn about the following:

1. Who is Telligen (visit <http://dhhs.ne.gov/medicaid/Documents/PB1410.pdf> for information)
2. Utilization Review Services for Nebraska Medicaid
3. How to register for the portal
4. Who to contact for questions

Telligen's web portal gives providers a method to submit secure information, submit and view authorization requests and receive results to their requests in a timely fashion.

Notes:

- *Registration is required for this event*
- *By registering, you are also given permission to receive email blasts from Telligen*
- *The session will be recorded and be available to view on telligen.nemedicalauth.com*
- *Q&As asked during the sessions will be documented and posted on the website*

Additional Training Opportunities

Future sessions will be on April 22nd and 29th (2 sessions each day) outlining how to submit a request now that you have access to the portal. More information to come.
